

Nominations

for the

ALS Users' Executive Committee

October 2007

Election to the Users' Executive Committee (UEC) will take place by electronic balloting, which will begin soon after the annual meeting of the Advanced Light Source Users' Association (ALSUA). Nominations to stand for election are made in two ways:

By the members of the UEC Nominating Committee, in advance of the meeting, and

By petition, with signatures of five members of the association and concurrence of the nominee, in advance of or during the meeting.

Use this form to petition for a nomination. Those elected will take their seats on January 1, 2007.
